Change the verb (and maybe delete a word) to make it a past tense sentence.

- 1) Mrs. Holy corrects papers.
- 2) The children work for five minutes a day on their multiplication tables!
- 3) Finally, they will finish their times tables!
- 4) Then they begin their division facts!

Someone in 1973 took this picture of Mr. Bernstein when we was in third grade!

A scanner glitch created the second image!
